The Church of Christ Tomorrow: Where We Are Headed and Why

Author: Russell Lingerfelt

\$27.95
Audio Book

In this book, Lingerfelt addresses the controversial issues within the Churches of Christ from the Mississippi River to the west coast. He recounts his journey from Faulkner and Freed-Hardeman Universities to Auburn and Pepperdine Universities, recording in detail the writers and the epiphanies he encountered which led him to overlook denomination differences between Christians. This book seeks to unite the left with the right and proves that through the study of Church History any denomination can be led out of the belief that their tradition rises above the rest.
